SUBJECT: Monthly Industry Meetings

This letter is to serve as a reminder to many, and as an invitation to all members of the Fairfax County building and contracting community, that monthly "Industry Meetings" continue to be held in the office of the building official.

The purpose of these meetings is to promote communication and understanding between building code officials and the building and trade professionals who conduct business in Fairfax County. Each month, a supervisor from the Residential Inspections Division is available to answer questions on a wide range of building and code-related issues. No appointment is necessary and those who choose to attend dictate the topics of discussion.

The meetings are always held on the first Tuesday of each month at 1:30 PM. All *Industry Meetings* are held in conference room #448 in the Herrity Building located at:

**DPWES
Office of Building Code Services
12055 Government Center Parkway, 4th Floor
Fairfax, Virginia 22035-5504**

If you have any questions regarding the monthly *Industry Meetings*, please direct your calls to the Residential Inspections Division, at 703-631-5101.
